

I am very distressed to hear that the national station K-LOVE may be replaced by an LPFM if a current proposal is adopted. I very much appreciate K-LOVE and its family-friendly programming. It is one of the few stations I can listen to with my children. The music on K-LOVE is great, and the station supports wholesome values. K-LOVE definitely has a positive and encouraging impact on communities all over the country. It would be a huge loss if K-LOVE were taken off the air.
